THE CONNECTICUT AEROSPACE & DEFENSE CONFERENCE 2025

is a B2B event with focus on supply chain, manufacturing capabilities, services, and technologies with applications in aerospace and defense. CADC is exclusively based on BCI Aerospace's signature matchmaking format and reserved for vetted professionals. CADC is an opportunity for suppliers, service providers, engineering, supply chain, procurement, product development teams to connect through pre-arranged meetings.

We are pleased to welcome the international aerospace community to Aerospace Alley in Connecticut. We have a thriving aerospace and defense industry and there is the best supply chain and workforce in the world in Connecticut. Aircraft engine manufacturing has been a pillar of our economy for the past 100 years and we look forward to welcoming everyone to our beautiful state.

Governor Ned Lamont
