

FINAL LIST OF PARTICIPANTS

SAFRAN AERO BOOSTERS

Manufacture of aircraft engines and associated parts (propulsion, equipment and turbine facilities)

Belgium

SAFRAN LANDING SYSTEMS

Specializes in the design, manufacture, integration, and support of landing gear, wheels, brakes, steering, and monitoring systems for a wide range of aircraft, including commercial, regional, business, and military fleets

Canada

VESTSHELL INC.

Manufacturer of precision investment casting

Canada

METRO SUPPLY-CHAIN

Third-party logistics services for strategic, scalable growth

Canada

INVESTISSEMENT QUÉBEC

Ministry of development of economic, innovation & exportation

Canada

NÉTUR INC

Nétur Inc. is a Tier-2 manufacturer of jet engines components and assemblies. Nétur Inc. is a vertically integrated manufacturer with in-house capabilities for machining, processing and assembling, resulting in a seamless integration of functions

Canada

OPAL-RT TECHNOLOGIES

OPAL-RT is the world leader in the development of PC/FPGA-based real-time simulators

Canada

A7 INTEGRATION

Our company specializes in the engineering and fabrication of machined parts and complex assemblies

Canada

COORDINATE INDUSTRIES LTD

Manufactures components & assemblies for high-precision industries

Canada

BC INSTRUMENTS

Precision machining solutions in Toronto (70,000 square feet and 158 employees)

Canada

ONTARIO AEROSPACE COUNCIL (OAC)

Ontario Aerospace Trade Association

Canada

MOOVINV INC.

Reseller of aeronautical material via a web platform.

Canada

VOOBAN

At Vooban, we aim to build a sustainable tomorrow. With the help of AI, data, and IoT, we build high-impact applications for businesses that use innovation to lead change in their organization.

Canada

RAMPF COMPOSITE SOLUTIONS

A leading expert in the manufacture of carbon fiber and fiberglass composites parts for the aerospace and medical industries.

Canada

THE CONNECTICUT AEROSPACE & DEFENSE CONFERENCE 2025

Connecticut Convention Center in Hartford, CT

NOVEMBER
04-06, 2025

HARTFORD, CT

www.connecticut.bciaerospace.com

Organizing committee

Presented by

GROUPE MELOCHE INC

Precision machining, surface treatment, painting, assembly and manufacturing engineering.

Canada

KONTRON CANADA INC

We are a global leader in smart IoT Solutions.

Canada

DESIGNED PRECISION CASTINGS INC

Manufacturing highly engineered, precision investment cast metal parts, particularly for aerospace, defense, and other industrial sectors, together with related mold-making, finishing, testing, and quality assurance.

Canada

AERO MONTREAL

Québec's Aerospace cluster

Canada

AV&R VISION AND ROBOTICS

We design adaptive, reliable finishing & inspection robotic systems at the forefront of innovation.

Canada

AXYA

A Procurement SaaS for Increased Efficiency

Canada

ALPHACASTING INC

Alphacasting specializes in the production of innovative and modern castings for the high-tech industry

Canada

ABIPA CANADA INC

Manufactures, assembles and kits various aerostructure, engine and landing gear components for leading aerospace OEM's. Provides machining, sheet metal fabrication, welding and assembly. TIG & spot welding, stamping, laser cutting & EDM

Canada

ARESIA - RAFAUT GROUP

Design and manufacture of complex mechanical assemblies

France

CGR INTERNATIONAL

European leader in aerospace springs, sheet metal forming, cutting, stamping, metal spinning

France

GIFAS

GIFAS, the French aerospace industries association, has more than 260 members, from major prime contractors and system suppliers to small specialist companies

France

EUROPE TECHNOLOGIES

Design and manufacturing of metallic and composite parts - Design of machines and robotic cells - Industrial maintenance at the international level (MRO) - Distribution of industrial welding equipment

France

MERSEN FRANCE GENNEVILLIERS SAS

Carbon-based and carbon composite friction components for the aeronautical industry

France

ADVANCED BUSINESS EVENTS

Leading professional organizer of business conventions, conferences, congresses, and B2B trade shows, serving a wide range of industrial sectors such as aerospace and defense

France

IMM MASCHINENBAU GMBH

IMM has been a leader in professional surface treatment for more than 60 years. Our product range extends from manual machines for grinding and polishing to automatic systems.

Germany

MUBEA AVIATION GMBH

Sheet Metal & Machined detail Parts, and assemblies for Aerospace Carbon Fiber Composite parts and assemblies (CFRP)

Germany

HAMUEL MASCHINENBAU GMBH & CO KG

We use state-of-the-art technology in creating practical solutions for the greatest benefit possible for our customers, and to follow individual and cost-effective ways in doing so

Germany

METALLIC BELLOWS (INDIA) PVT. LTD

Bellows and high pressure hoses manufacturing for the aerospace industry and sheet metal work for aerostructures.

India

LYNCUS PRECISION TECHNOLOGY PRIVATE LIMITED

Manufacture and Supply of Fabricated Sheet metal & Machined Components for Aviation, Space & Defense Applications.

India

RANGSONS SCHUSTER TECHNOLOGIES PVT LTD

Leading manufacturer of Aviation Tubes & Hoses in India

India

KANFIT LTD

Composite parts and bonded assemblies including advanced RTM & LRI technology

Israel

IRCA SPA - ZOPPAS INDUSTRIES ITALY

Zoppas Industries is a world leader in the design and manufacture of heating systems and resistors for applications ranging from domestic and professional equipment, to satellites and the automotive sector in well over 200 different market sectors.

Italy

TEMA ENERGY SRL

Production of components and assemblies in metal alloys for gas turbines for energy, aeronautical, defense and space sectors with specific skills in machining, welding, laser drilling, flow testing and non-destructive tests.

Italy

LINCOTEK RUBBIANO SPA

Lincotek Surface Solutions is worldwide leader on Surface Treatment by application of special process like thermal spray coatings such as HVOF, APS, LPPS, Diffusive

Italy

ATLA SRL

ATLA is a sheet metal processing center that uses high-tech systems

Italy

O.V.S. VILLELLA S.R.L.

CONSTRUCTION OF AEROSPACE COMPONENTS AND STRUCTURES, SHEET METAL WORKING, WELDING, PIPE WORKING, MECHANICAL WORKING, NON-DESTRUCTIVE CHECKS, SURFACE TREATMENTS

Italy

HANSHIN METALICS CORP.

Distributing Aerospace Alloy including 15-5PH, Alloy 718 and etc. Offering value-added services including stocking, cutting, machining, heat treatment, and other additional services, aiming to serve as one stop solution.

Japan

AKIMOKU IRON WORKS CO., LTD

We manufacture various industrial machines and perform installation work for steel bridges, floodgates, etc.

Japan

KAWASAKI HEAVY INDUSTRIES, LTD (AKASHI)

Engineering, manufacture, maintenance repair and overhaul of jet engines and gas turbine generation systems

Japan

AMDIE

Moroccan Investment Development Agency

Morocco

AEROSPACE MOROCCAN CLUSTER

Moroccan Aerospace Cluster

Morocco

GIMAS

Moroccan Aerospace Association gathering 140 aerospace companies established in Morocco operating in different fields of aerospace industry such as engineering (design & conception), assembly of parts and aerostructures, composites, electronics...

Morocco

MIFA ALUMINIUM BV

Mifa is a specialist in aluminium extrusion profiles. We produce completely finished precision products with size tolerances from ± 0.02 mm. That accuracy in aluminium profiles provides unprecedented possibilities.

The Netherlands

INVEST IN NORTHERN IRELAND

The Northern Ireland Aerospace cluster is made up of over 60 companies with extensive expertise in aerostructures, wings, composites, design, systems and aircraft seating.

United Kingdom

TTP PLC

As an independent technology and product development consultancy, we've spent nearly 40 years helping our clients solve complex challenges and deliver commercially grounded solutions.

United Kingdom

INDEPENDENT FORGINGS & ALLOYS LTD

Manufacturer of high integrity forgings for the aerospace industry. Open and closed die forgings for aerostructures and turbines

United Kingdom

CERAMTEC NORTH AMERICA LLC

Manufacturers of Technical Ceramics and Ceramic to Metal Sealed assemblies

USA

NATIONAL PRECISION BEARING

Factory Authorized Master Distributor of Bearings, Bushings, Rod Ends and Sphericals for Aerospace and Defense.

USA

THE PANTHER GROUP

Fast, reliable staffing solutions tailored to your needs, including direct hire, contract staffing, workforce management, and HR consulting. We're your partner in finding the talent to move your business forward.

USA

WOODWARD

USA

TITANIUM INDUSTRIES INC

Titanium Industries provides quality products, at competitive prices, with the quickest deliveries. We have 14 worldwide locations and offer the largest selection of titanium bar, plate, sheet, pipe, tube and more

USA

KENNAMETAL INC.

Kennametal delivers productivity to customers seeking peak performance in demanding environments by providing innovative custom and standard wear-resistant solutions. This proven productivity is enabled through our advanced materials sciences

USA

RTI

Real-Time Innovations (RTI) supplies the world's number one software framework for autonomy, with over 2,000 designs.

USA

NORSK TITANIUM

Norsk Titanium provides treatment of materials, namely metals and metal ores by plasma arc additive layer manufacturing

USA

FLUID MECHANISMS

Machining and assembly of metallic dynamic aerostructures, landing gear components, flight control and flight safety components

USA

MURPHY AND NOLAN, INC

Distributor of bar and tubing products.

USA

ETEZAZI INDUSTRIES, INC

Manufacturing of aerospace structural components and assemblies: complex multi-axis parts, as well as sheet metal parts

USA

SAFRAN ELECTRICAL & POWER

Division of the Safran Group, and its main activity is the design, manufacture, and support of electrical systems for aircraft.

USA

TIGHTCO INC

Design and manufacture of thermal insulation, complex composites and sheet metal for the aerospace

USA

HOWMET AEROSPACE

Manufacturer of aerospace products including fasteners, castings, forgings, titanium sheet & plate

USA

AAC CONTROLS (FORMERLY AMERICAN AEROSPACE CONTROLS INC)

AC/DC Current and Voltage Sensors. Off-the-shelf and custom designed. Fully qualified to DOI-160 and MIL-STD.

USA

KENNAMETAL INC.

Kennametal delivers productivity to customers seeking peak performance in demanding environments by providing innovative custom and standard wear-resistant solutions. This proven productivity is enabled through our advanced materials sciences

USA

ADVANCED HEAT TREAT CORP.

Advanced Heat Treat Corp. (AHT) is a recognized leader in providing heat treat services and superior metallurgical solutions to companies across the globe.

USA

LABORATORY TESTING INC

Material testing, non-destructive testing, metal testing and calibration services

USA

THE CONNECTICUT AEROSPACE & DEFENSE CONFERENCE 2025

Connecticut Convention Center in Hartford, CT

NOVEMBER
04-06, 2025

HARTFORD, CT

www.connecticut.bciaerospace.com

Organizing committee

Presented by

SERVICE STEEL AEROSPACE CORP. WINDSOR

Aircraft Quality Metal Distributor

USA

PRINCE & IZANT COMPANY

Prince & Izant Company provides precious metal and brazing alloy solutions to our global customers, helping them create diverse products used throughout the world.

USA

PROCIMER NEW YORK

Costa Rican Foreign Trade Promoter

USA

GROB SYSTEMS, INC.

Automated System & Cells for Assembly & Test; Automated System & Cells for Material Removal; Automatic Storage/Retrieval Systems; Leak Testing Equipment; Machining Centers, Horizontal Spindle (Up to Four-Axis); Machining Centers, Horizontal Spindle,

USA

INDEX CORPORATION

Automated System & Cells for Material Removal; Screw Machines, Multiple Spindle, Bar or Chucking; Screw Machines, Single Spindle, Bar or Chucking; Screw Machines, Swiss Type, CNC; Turn/Mill Machines, CNC; Turning Centers, Horizontal, CNC; Turning Ce

USA

FPD COMPANY

Excelling in forging, machining, and finishing titanium, stainless steel, aluminum and cobalt chrome components for the aerospace industry

USA

MATTCO FORGE, INC

Forged products: seamless rolled rings, contoured rolled rings, bar and upset forgings

USA

AUSCO INC

AUSCO is an engineering driven manufacturer of miniature fluid control components and systems for high value, performance critical applications

USA

HONEYWELL AEROSPACE

Solutions for more fuel-efficient and environmentally friendly airplanes, more direct and on-time flights and safer flying plus engines, cockpit and cabin electronics, wireless connectivity equipment and services, logistics, and more.

USA

CS GROUP - USA

CS conducts large, complex projects that include development and maintenance of technical information and real-time systems to satisfy the most rigorous requirements for safety and operational reliability.

USA

DEDIENNE AEROSPACE LLC

USA

METAL FINISHING CO

Non-Destructive Testing of Metal and Composite Parts and Materials, Heat Treatment

USA

MEYER TOOL INC

Meyer Tool manufactures hot section components from the combustor to the turbine for both Aerospace and Industrial gas turbine engines

USA

THE CONNECTICUT AEROSPACE & DEFENSE CONFERENCE 2025

Connecticut Convention Center in Hartford, CT

Organizing committee

Presented by

RTX
AEROSPACE
DEFENSE
SYSTEMS

PEACOCK TOOL & ENGINEERING

We manufacture high tolerance, high quality parts to the exact specifications our customers require.

USA

EDCO ENGINEERING INC

Industry leading and innovative manufacturer of precision bent tubes, assemblies and small machined components.

USA

BOMBARDIER DEFENSE

Bombardier Defense combine Bombardier's portfolio of top-performing aircraft with engineering expertise to create custom solutions.

USA

CT HONE INC

Precision internal diameter honing services for industries including aerospace, automotive, and medical.

USA

W.S. WILSON CORPORATION

W.S. Wilson is an authorized worldwide distributor of aircraft bearings, bushings, rod ends, and associated hardware.

USA

ENSINGER INC

Manufacture of components or assembled systems, for both Aerospace and Defense applications, using thermoplastic materials.

USA

GENERAL PLASTICS MANUFACTURING CO.

General Plastics formulates and fabricates flame-retardant and impact absorbing rigid and flexible foam materials for the Aerospace, Defense, Nuclear Energy, and Space markets.

USA

SAINT-GOBAIN AEROSPACE

Specializes primarily in aerospace composites and engineered materials.

USA

CEVA LOGISTICS

Global third-party logistics (3PL) company providing end-to-end supply chain management and logistics services

USA

SEGULA TECHNOLOGIES USA INC

Engineering : Design & Calculations - Tooling : Design & Manufacturing - Production : Sheet Metal, Machining & Surface Treatment Test Benches Production Services MRO

USA

UNITED PERFORMANCE METALS

A global distributor of high-performance metals serving customers in a variety of industries, including Aerospace, Fastener, Medical, Power Generation, Oil and Gas, Semiconductor and many others.

USA

RTX TECHNOLOGIES RESEARCH CENTER

RTX TRC serves as the company's innovation hub. Our engineers, scientists and researchers anticipate the discoveries destined to change everything, and they transform that research into the solutions and products

USA

LIQUIDPISTON INC

LiquidPiston develops compact, powerful, quiet, efficient, low-vibration, multi-fuel capable combustion engines that are scalable from 1HP to over 1000 HP.

USA

THE CONNECTICUT AEROSPACE & DEFENSE CONFERENCE 2025

Connecticut Convention Center in Hartford, CT

NOVEMBER
04-06, 2025

HARTFORD, CT

www.connecticut.bciaerospace.com

Organizing committee

Presented by

ELEMENT 119

Manufacturing and developing of highest-grade and top-performing coating solutions

USA

DYNAPOWER COMPANY

Power conversion and energy storage for hydrogen, e-mobility, energy storage, mining, metal finishing and defense industries

USA

GH TOOL & MOLD

Custom tooling for a variety of applications including thermoforming, compression molding, blow molding, die casting, and stamping, as well as secondary equipment and automated solutions for these applications.

USA

ADVANCE CT

Connecticut is home to some of the most future-ready businesses in the nation, breaking ground and boundaries with the infrastructure and support system needed to launch new headquarters, facilities, and startups.

USA

AIR INDUSTRIES GROUP

Manufacture & assemble structural parts & assemblies that focus on flight safety (landing gear, arresting gear, engine mounts, axles, flight controls...); Sheet metal fabrication for aerostructure assemblies, tube design, bending & welding services

USA

GENERAL DIGITAL CORPORATION

Design, develop, integrate, test and deliver the world's most reliable displays, technology products, and software services

USA

SWISS PRO CNC

Manufacturing process design and precision component production

USA

ALDERMAN & COMPANY

Sell-side mergers and acquisitions for boards, shareholders, lenders, creditors, and other stakeholders in the aerospace and defense industry

USA

BIRK MANUFACTURING INC.

Birk Manufacturing Inc. designs and manufactures high-quality flexible heaters and thermal systems for use in medical devices, instrumentation, and diagnostic and semiconductor equipment.

USA

GKN AEROSPACE

Throughout our sites in the US, we innovate, design and build aerostructures, engine systems, and special military technologies. Explore opportunities from Arizona to Washington, across our three key business lines. The opportunities are limitless.

USA

RTX TECHNOLOGIES RESEARCH CENTER

RTX TRC serves as the company's innovation hub. Our engineers, scientists and researchers anticipate the discoveries destined to change everything, and they transform that research into the solutions and products

USA

RENO MACHINE

Specializes in large-part precision manufacturing, as well as durable tooling and complex molds for today's composite part and structure fabrication

USA

THE CONNECTICUT AEROSPACE & DEFENSE CONFERENCE 2025

Connecticut Convention Center in Hartford, CT

NOVEMBER
04-06, 2025

HARTFORD, CT

www.connecticut.bciaerospace.com

Organizing committee

Presented by

SINTO AMERICA, INC

Turn Key Industrial Solutions Provider for All Surface Treatment, Foundry and Sand Processing Applications

USA

PEENING TECHNOLOGIES

Shot peening, abrasive blasting and surface enhancement job shop services to the aerospace, automotive, power generation

USA

ELEMENT MATERIALS TECHNOLOGY HARTFORD

Nadcap accredited special processor, primarily servicing the aerospace critical rotating parts industry. The laboratory's capabilities include nondestructive testing (NDT) and related chemical processing.

USA

APPLUS, XRI TESTING

Testing, inspection and certification sector. Complete portfolio of solutions that address a range of needs, from asset integrity management to statutory compliance-based inspections

USA

ADVANCE WELDING

Highest quality in welding, brazing, and fabricating services to the military and defense, aerospace and power generation and medical industries.

USA

RCO ENGINEERING, INC.

Designers and engineers, accomplished prototype builders, testing experts and comprehensive production specialists for the automotive, aerospace and defense industries

USA

AVANTUS AEROSPACE

Avantus Aerospace's group (Attewell, Bolsan, Lamsco West, Cal Screw, FIT & FTC) are leaders in C-Class parts including: - Laminated and Solid Shims - Precision Sheet Metal Details & Machined Parts, Assemblies - High Strength Aerospace Fasteners

USA

PHOENIX SPECIALTY MANUFACTURING CO.

Manufacturer of small specialty and precision components – all made to your exact specifications. We specialize in high-quality, traceable parts all manufactured to your requirements.

USA

COLONIAL COATING

Anodizing, Surface Sealing, Sacrificial Coatings & Thermal Spray

USA

ETI STARWIN

USA

PARAMOUNT MACHINE COMPANY

Specializes in manufacturing precision-machined parts and assemblies for the aerospace industry. We are capable of machining castings, forgings, aerospace alloys and plastics, and we can convert previous castings and forgings into hogouts.

USA

HANWHA AEROSPACE USA

Precision Rotating & Static Components for Aerospace Engine Applications. Complex Gages, Fixtures, Precision Tools, Composite Molds

USA

MODELCRAFT COMPANY INC.

Specializes in precision-machined parts for medical, aerospace, and commercial industries and perform Milling, Turning, Grinding, EDM, and Assembly

USA

THE CONNECTICUT AEROSPACE & DEFENSE CONFERENCE 2025

Connecticut Convention Center in Hartford, CT

NOVEMBER
04-06, 2025

HARTFORD, CT

Organizing committee

Presented by

METAL FINISHING TECHNOLOGIES LLC

Metal plating and metal finishing: diversified metal finishing and surface preparation as well as a certified FAA repair station servicing the Automotive, Marine, Aerospace, Medical, Commercial and Electrical industries

USA

JOINING TECHNOLOGIES, INC.

Innovative, high-quality welding solutions for industries nationwide — including aerospace, medical devices, automotive, energy and national defense.

USA

SPECIALIZED FABRICATION EQUIPMENT (S.F.E.) GROUP

Comprehensive range of orbital welding, pipe fabrication, precision engineered applications and cutting solutions for a wide variety of industries

USA

AEROSPACE TECHNICAL METAL FINISHING - ATMF

Over 55 years of industry experience offering complete metal finishing solutions including painting, non-destructive testing, complex masking and project management.

USA

ROBINSON & COLE LLP

Law firm

USA

RCM TECHNOLOGIES

Design, development, and delivery of high-value services to commercial and government sectors—ensuring that our clients successfully reach their business goals in a sustainable and scalable way.

USA

ACUREN

Resting and inspection world leader, specializing in nondestructive testing, engineering, and rope access solutions

USA

SKILLCRAFT MACHINE TOOL COMPANY, INC.

Skillcraft Machine Tool Co., Inc. manufactures high-quality aerospace support equipment, prototype components, and complex assemblies

USA

BOULEVARD MACHINE & GEAR

Boulevard's core competencies lay in our ability to machine complex multi-axis components from modeling, programming, machining to first article inspection with responsive lead-times

USA

SIMTECH, INC.

A worldwide distributor delivering military and commercial parts focused on customer service

USA

RICHARDS MACHINE TOOL

Manufacturer of precision machined components for the aerospace and commercial industries. Capabilities include Milling and Turning small to medium sized parts of various complexity taking the product from FAI to production.

USA

ROLLED ALLOYS

Specialty metals: heat and corrosion resistant alloys for aerospace

USA

THE CONNECTICUT AEROSPACE & DEFENSE CONFERENCE 2025

Connecticut Convention Center in Hartford, CT

NOVEMBER
04-06, 2025

HARTFORD, CT

Organizing committee

Presented by

LYNN WELDING

Lynn welding provides all different types of welding services such as GTAW, MIG, SPOT, SEAM and Torch Braze. We are NADCAP and AS9100 certified and we do serve the aerospace, medical and military.

USA

NE-XT TECHNOLOGIES

Manufacture tight tolerance, precision critical parts and assemblies for customers who need a partner from product development through long term production.

USA

PRECINMAC - MAJOR TOOL & MACHINE

Precinmac is a family of world-class precision machining and fabrication companies. Precinmac comprises eight diverse companies specializing in manufacturing medium to high complexity parts

USA

MISSION DESIGN & AUTOMATION

Mission Design & Automation helps North American companies conceptualize, design and build the future of automated manufacturing.

USA

MASTER FLUID SOLUTIONS

Aerospace premium TRIM fluids meet aerospace manufacturers' high-tech alloy machining needs to ensure repeatability and dramatically reduce expensive tooling costs.

USA

RTX - PRATT & WHITNEY

Pratt & Whitney is a world leader in the design, manufacture and service of aircraft engines and auxiliary power units.

USA

PHOENIX MANUFACTURING, INC.

Precision machined components manufacturer: all types of materials such as aluminum, stainless steel, titanium, inconel, forgings, and castings. We also work with high performance engineering plastics such as Vespel®, Torlon®, Ultem®, PEEK, etc.

USA

ACCU-RITE TOOL & MANUFACTURING CO

Accu-Rite Tool & Manufacturing is an AS9100D and ISO 9001:2015 accredited company. Accu-Rite manufactures precision components for both the aerospace and commercial industries

USA

ACCUTURN MANUFACTURING CO LLC

Manufacturing solutions in precision machining to Aerospace, Defense and other industries: CNC Milling, CNC Turning, Swiss Screw Machining, Engineering

USA

SIKORSKY AIRCRAFT COMPANY

Sikorsky Aircraft Corporation is a world leader in the design, manufacture and service of military and commercial helicopters; fixed-wing aircraft; spare parts and maintenance, repair and overhaul services for helicopters and fixed-wing aircraft

USA

TRIUMPH SYSTEMS ELECTRONICS & CONTROLS

TRIUMPH Systems, Electronics & Controls, is a leading independent aerospace fuel system supplier for the commercial, military, helicopter and business jet markets.

USA

AEROSPACE COMPONENTS MANUFACTURERS

The Aerospace Components Manufacturers, ACM, is one of the largest, most experienced concentrations of premier aerospace companies in the world.

USA

THE CONNECTICUT AEROSPACE & DEFENSE CONFERENCE 2025

AEROSPACE
DEFENSE
SYSTEMS

CONNECTICUT CENTER FOR ADVANCED TECHNOLOGY

CCAT is a dynamic applied technology and training organization, empowering global industrial companies and the manufacturing supply chain to drive innovation, improve efficiency and adopt cutting-edge technologies.

USA

CAPEWELL COMPONENTS

Provider of aerial delivery and life support equipment to military and commercial aerospace

USA

U.S. COMMERCIAL SERVICE

Export assistance to US companies.

USA

INDUSTRIAL METALS INTERNATIONAL LTD

Distributor of titanium, aluminum, nickel stainless steel, alloy and bronze products in bar, sheet, tube, wire and forgings.

USA

PAPERLESS PARTS

Estimating and quoting software that simplifies workflow

USA

O'FALLON CASTING

Manufacture of Aluminum, Brass, Bronze and Aluminum/Silicon Carbide Metal Matrix Composite (MMC) Investment Castings.

USA

RTX - RAYTHEON

Systems and capabilities to create next-generation defense solutions that are smarter, faster and better in land, air, sea, space, integrated air defense, strategic missile systems

USA

USPRO

Whether it's long-term careers or contract work, USPRO will make the job search process easier, more encouraging, and ultimately more satisfying, for both job seekers and employers.

USA

RTX - COLLINS AEROSPACE

One of the world's largest suppliers of advanced aerospace and defense products for business, military and international customers

USA

PROSPECT

Production composite and metallic machining as well as providing tooling solutions

USA

MANES MACHINE & ENGINEERING

Machining of complex aerospace components. Our 5 axis machining capability ranges from 1 to 120 inches

USA

VANCORD

Information and security technology company that supports your infrastructure and data security needs - for today and tomorrow.

USA

RENNSCOT MFG

USA

J.V. PRECISION

Manufacturing of complex parts: CNC machining, quality inspection, wire EDM, waterjet, manual milling and grinding, assembly

USA

THE CONNECTICUT AEROSPACE & DEFENSE CONFERENCE 2025

Connecticut Convention Center in Hartford, CT

NOVEMBER
04-06, 2025

HARTFORD, CT

Organizing committee

Presented by

ULBRICH STAINLESS STEELS & SPECIAL METALS INC

ULBRICH specialized in making difficult to manufacture forms in advanced metal materials for aerospace and other applications

USA

JONAL LABORATORIES

Researchers, Engineers, and Manufacturers of Custom High Temperature Elastomeric Seals and Products

USA

C.V. INDUSTRIES

Specialize in producing hardware for a wide variety of industries including the steam turbine, nuclear, space and aircraft industries

USA

BURKE AEROSPACE

A shop-assist, Farm-out, Off-load company specializing in conventional as well as non-conventional precision machining of turbine engine components

USA

UTD PRECISION MANUFACTURING

Wide variety of manufacturing capabilities. Welding, sheet fabrication, laser cutting, Wire EDM, heat treating, FPI, aluminum dip brazing, and much more

USA

HYGRADE PRECISION TECHNOLOGIES, INC.

Hygrade specializes in precision contract machining, grinding, and lapping services. We serve the aerospace, automotive, commercial, homeland security, medical & power generation industries.

USA

HCL AMERICA INC

Technology solutions built around Digital, IoT, Cloud, Automation, Cybersecurity, Analytics, Infrastructure Management and Engineering Services

USA

EXOSTAR LLC

Securely accelerate success with a compliant collaboration platform and trusted partner network that empowers organizations to confidently achieve critical outcomes. Exostar. Together We Thrive

USA

ACMT MANUFACTURING TECHNOLOGIES, INC.

We manufacture and repair Aircraft engine and Helicopter parts BOTH metal and non-metal components - Advanced composites and Metal forming technologies

USA

OXLEY INC

Oxley designs & manufactures panel mount LED indicators, EMI suppression filters and precision-machined connectors

USA

TW METALS LLC

Global supplier of Specialty Metals! TW Metals stocks and processes Tube, Pipe, Bar, Extrusions, Sheet, and Plate in stainless, aluminum, nickel, titanium, and carbon alloy.

USA

YARDE METALS CORPORATION

Yarde Metals carries a multi-metal inventory specializing in aluminum, stainless, carbon steel and brass in a wide range of standard, unique and hard to find sizes

USA

ALBERT BROS., INC.

Industrial and retail scrap metal recycling

USA

THE CONNECTICUT AEROSPACE & DEFENSE CONFERENCE 2025

Connecticut Convention Center in Hartford, CT

HARTFORD, CT

www.connecticut.bciaerospace.com

Organizing committee

Presented by

WILLINGTON NAMEPLATE INC.

Provides permanent labeling solutions to companies throughout the automotive, aerospace, defense, industrial, energy, and food industries

USA

ADEPT FASTENERS INC.

Distributor of Aerospace Fasteners, Bearing and Electronic Hardware.

USA

HORST ENGINEERING

Contract manufacturer of components and tooling for mission critical systems: Aircraft Hardware, Advanced Manufacturing, Thread Rolling & Grinding Services

USA

MOTT CORPORATION

Mott Corporation has solved highly complex filtration and flow control problems for the world's largest technical brands.

USA

HORBERG INDUSTRIES, INC

Horberg Industries specializes in crafting precision straight headless dowel pins and shafting for the aerospace, defense, and medical industries

USA

BODYCOTE

Thermal spray coating application (HVOF, plasma spray), heat treating, vapor phase aluminizing (VPA), platinum plating and other special processes for aircraft engines, landing gear and airframe component

USA

CONSOLIDATED INDUSTRIES

High quality forgings from ferrous, non-ferrous and exotic metals for high technology applications including fixed-wing aircraft, helicopters, jet engines, military hardware, power generation, centrifuges and more

USA

ALPHA Q INC

Components and assemblies for gas turbine engines and helicopters. fixed limit cylindrical gages, special gaging and offers precision grinding and lapping services

USA

CBIA

We support the innovators, entrepreneurs, and leaders shaping a vibrant, dynamic Connecticut with opportunities for all—and connect business executives with each other and with legislators

USA

PARKER HANNIFIN CORPORATION

Global leader in motion and control technologies. Precision engineered solutions for Aerospace, Climate Control, Electromechanical, Filtration

USA
