## POST EVENT SURVEY RESULTS

Companies from across the US and around the globe gathered in HARTFORD for the first edition of CADC. We express our gratitude to all the participants and partners for their valuable contributions. The following report encapsulates the feedback and impressions shared by the attendees.

## 2025 KEY FIGURES

**650+**  
Vetted Delegates

**350+**  
Companies

**13+**  
Countries

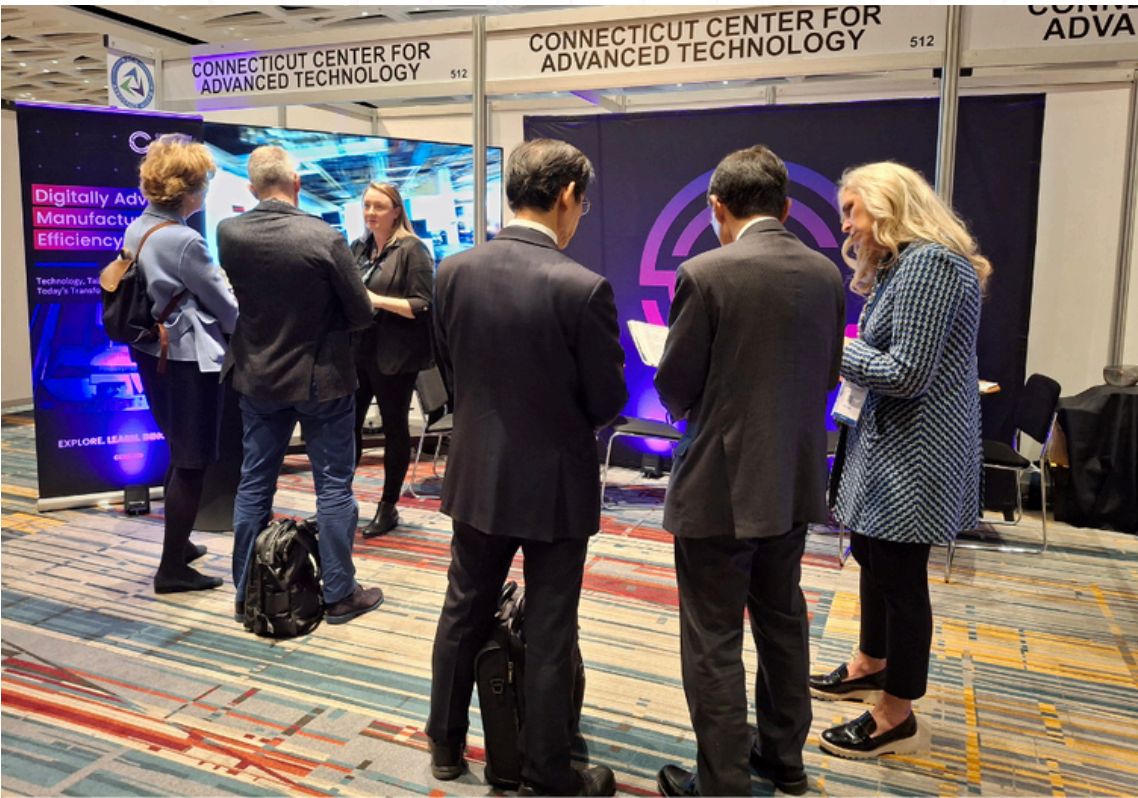

**3,000+**  
B2B Meetings

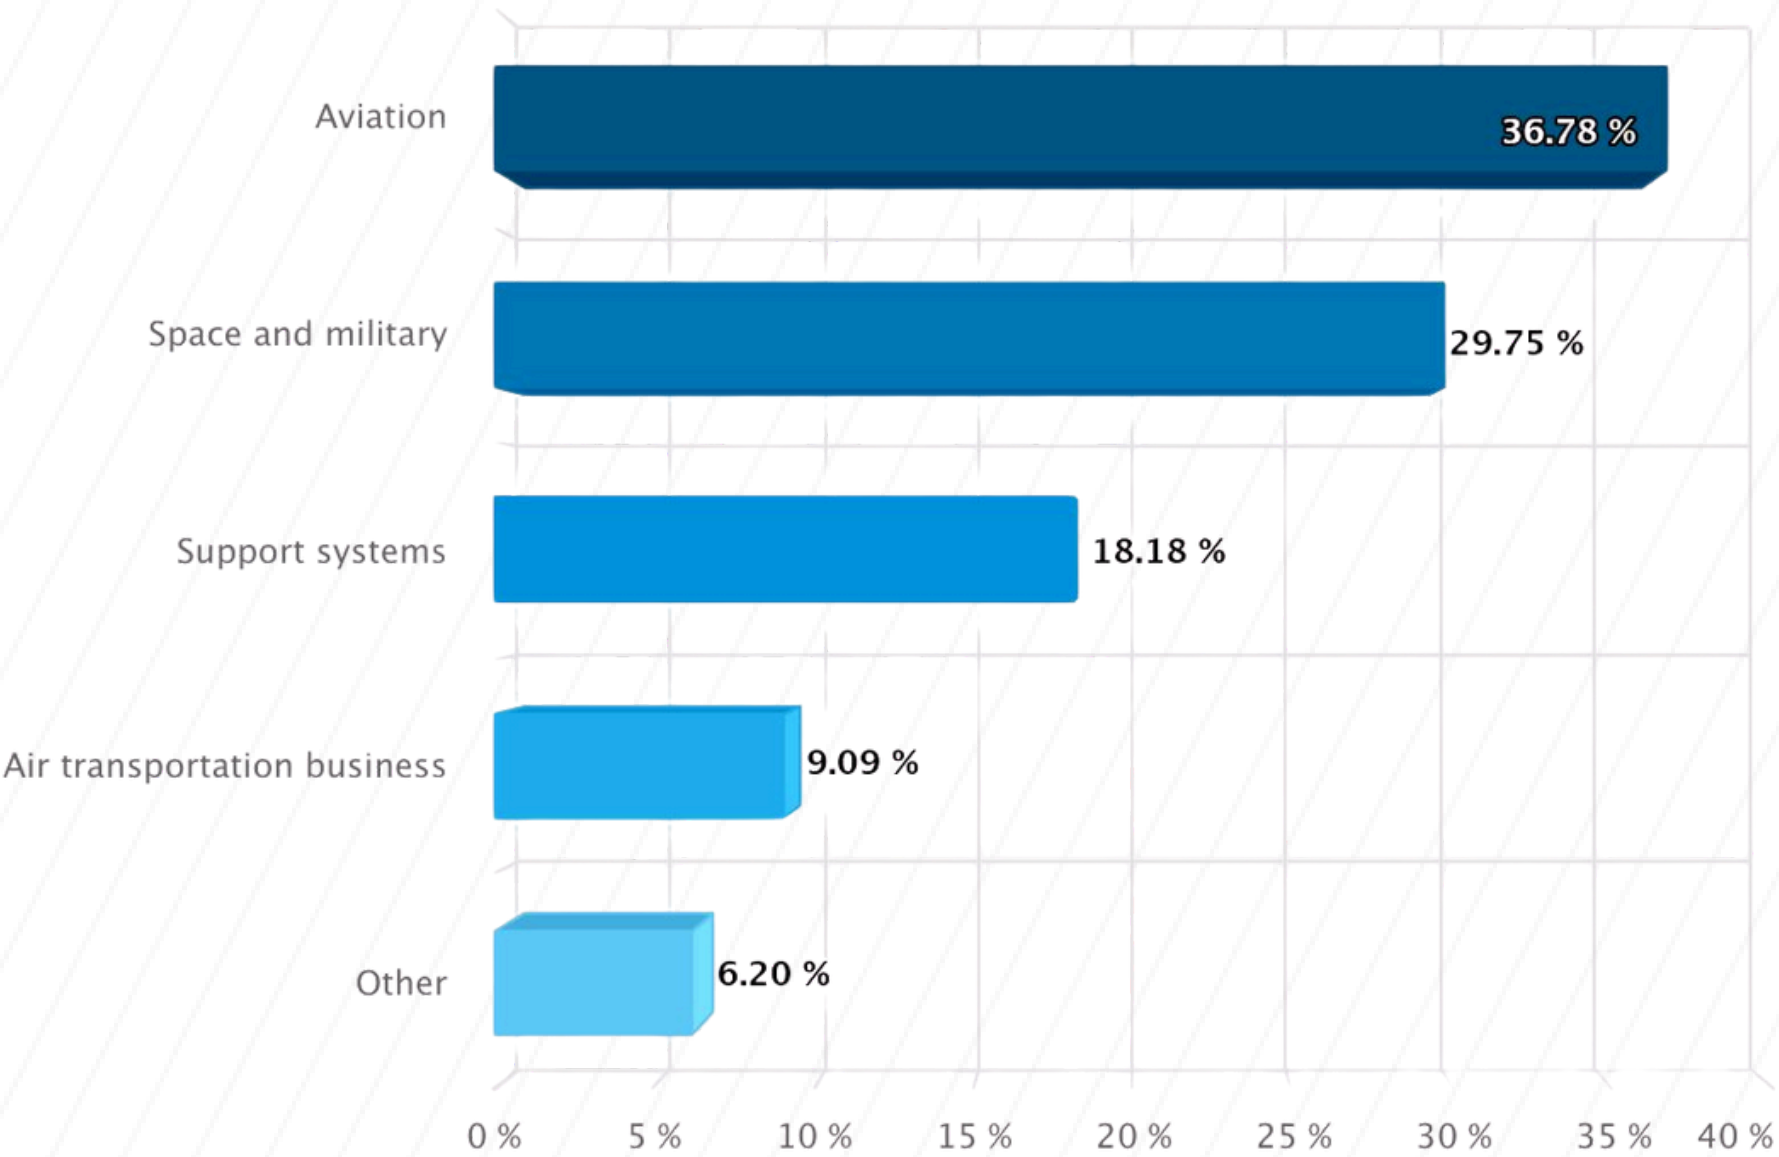

**17.5+**  
B2B meetings / company

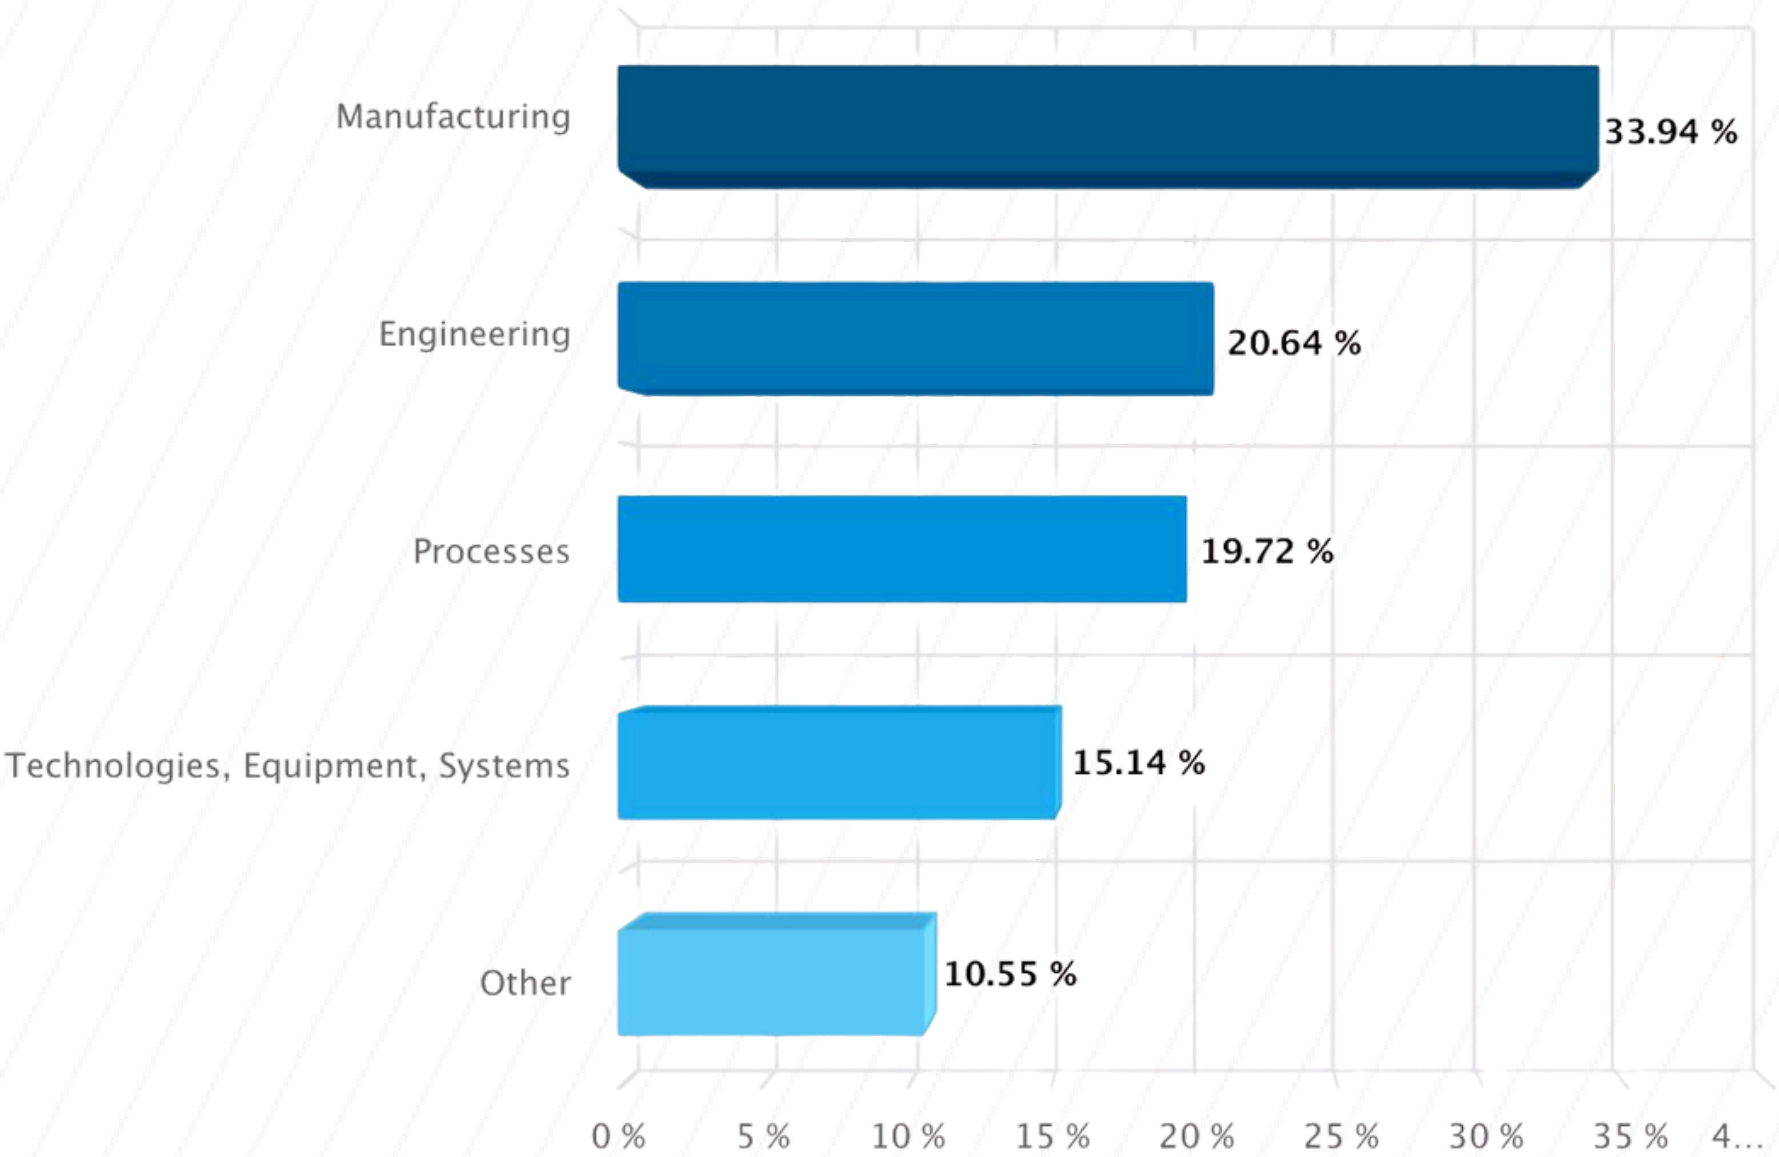

COMPANY ORIGIN

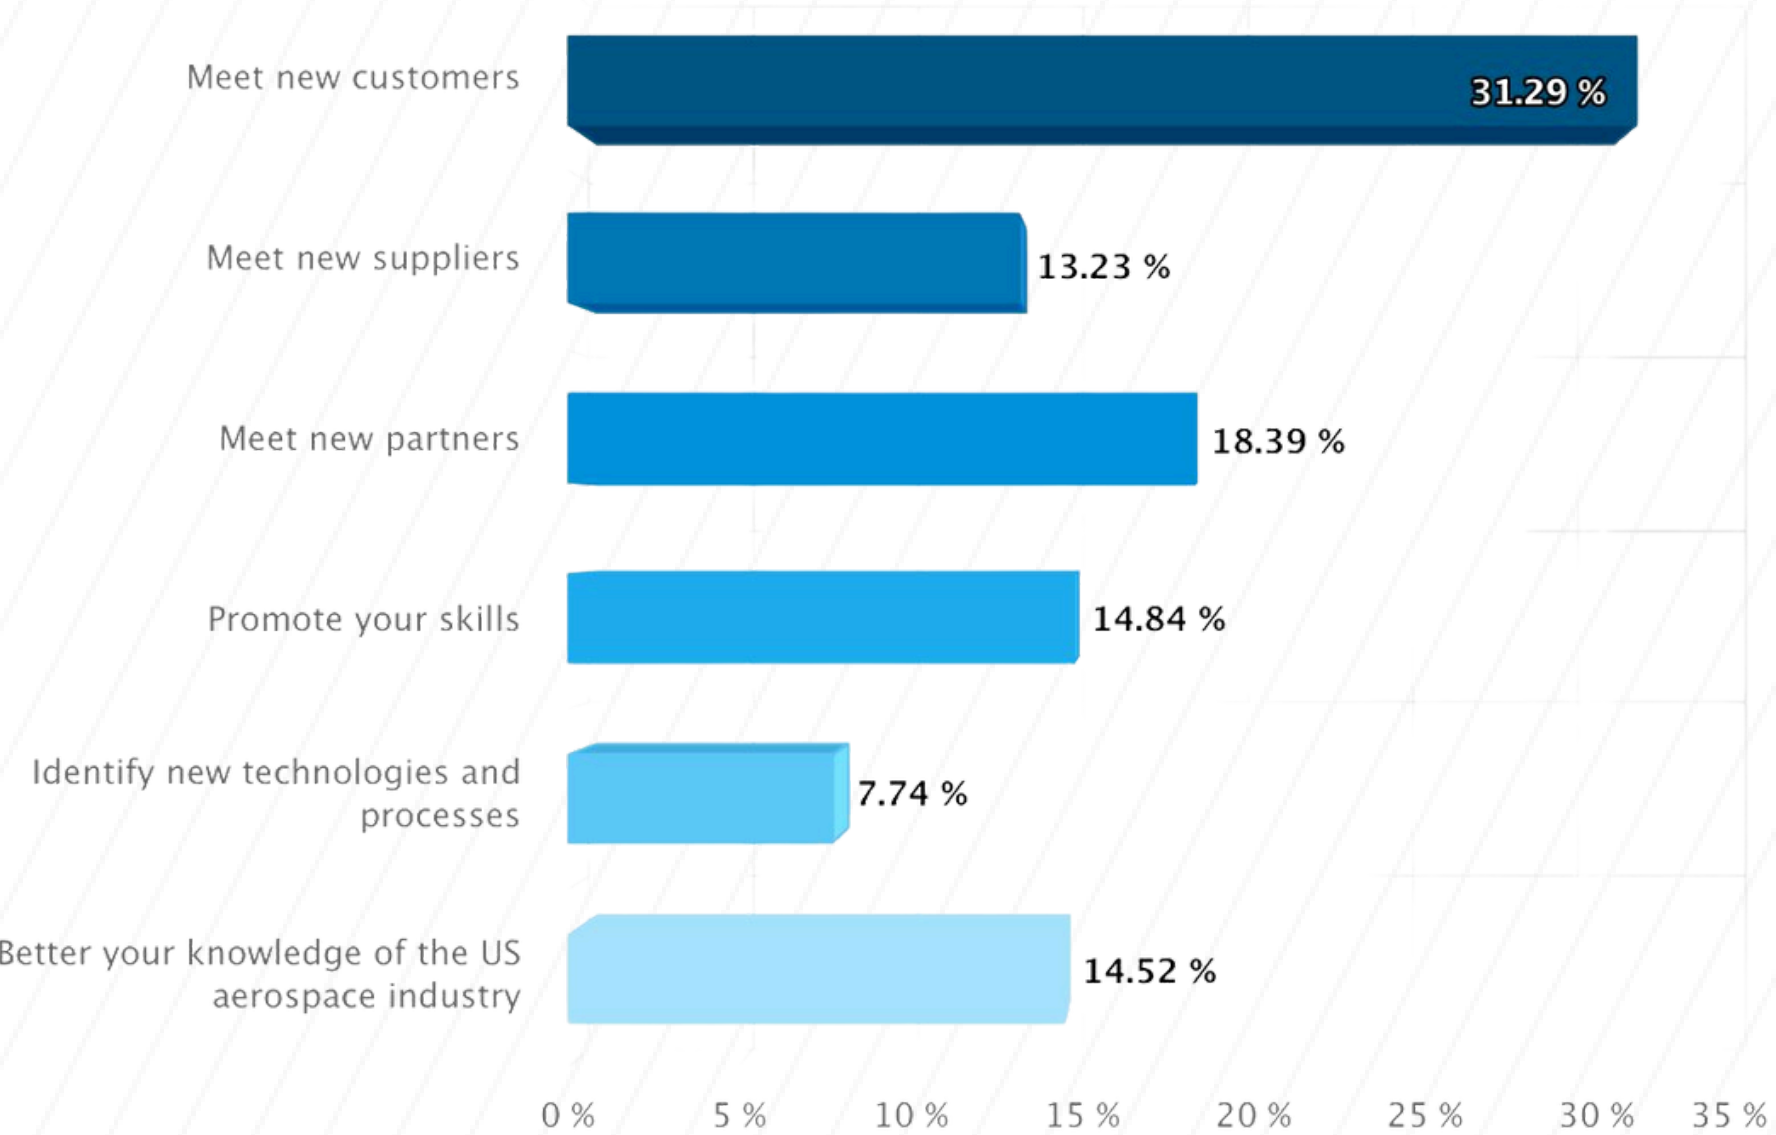

FINAL APPLICATIONS IN  
AEROSPACE AND DEFENSE

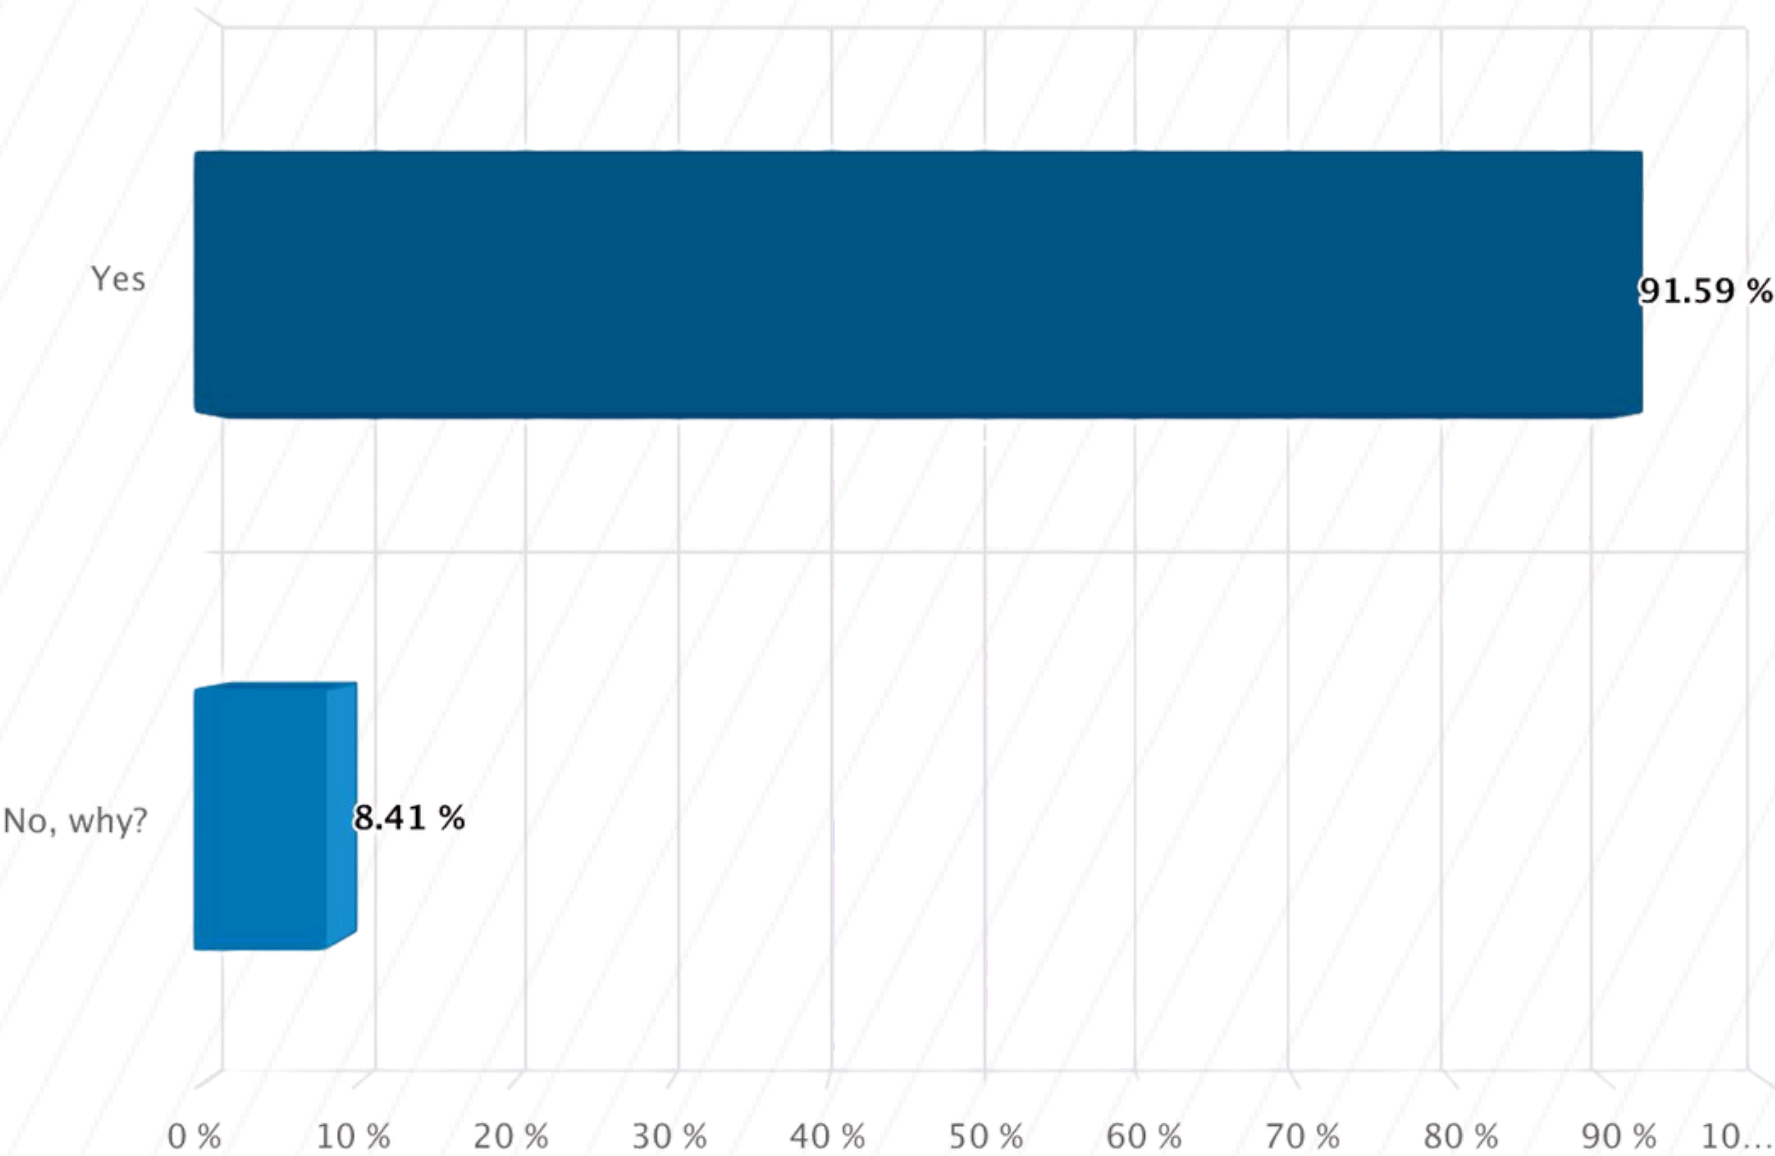

REPRESENTED CAPABILITIES,  
SERVICES AND APPLICATIONS

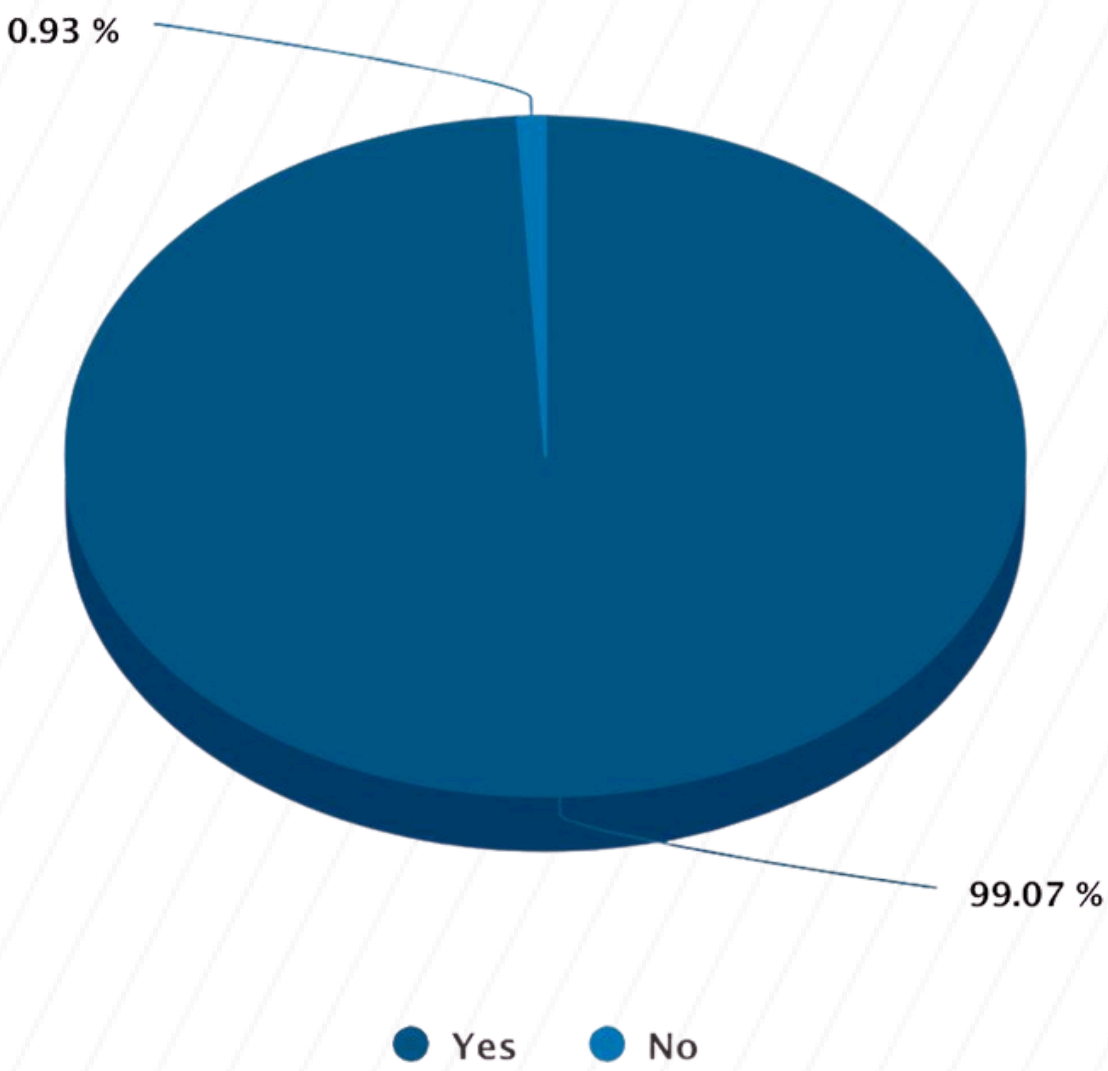

WHAT WERE YOUR EXPECTATIONS ?

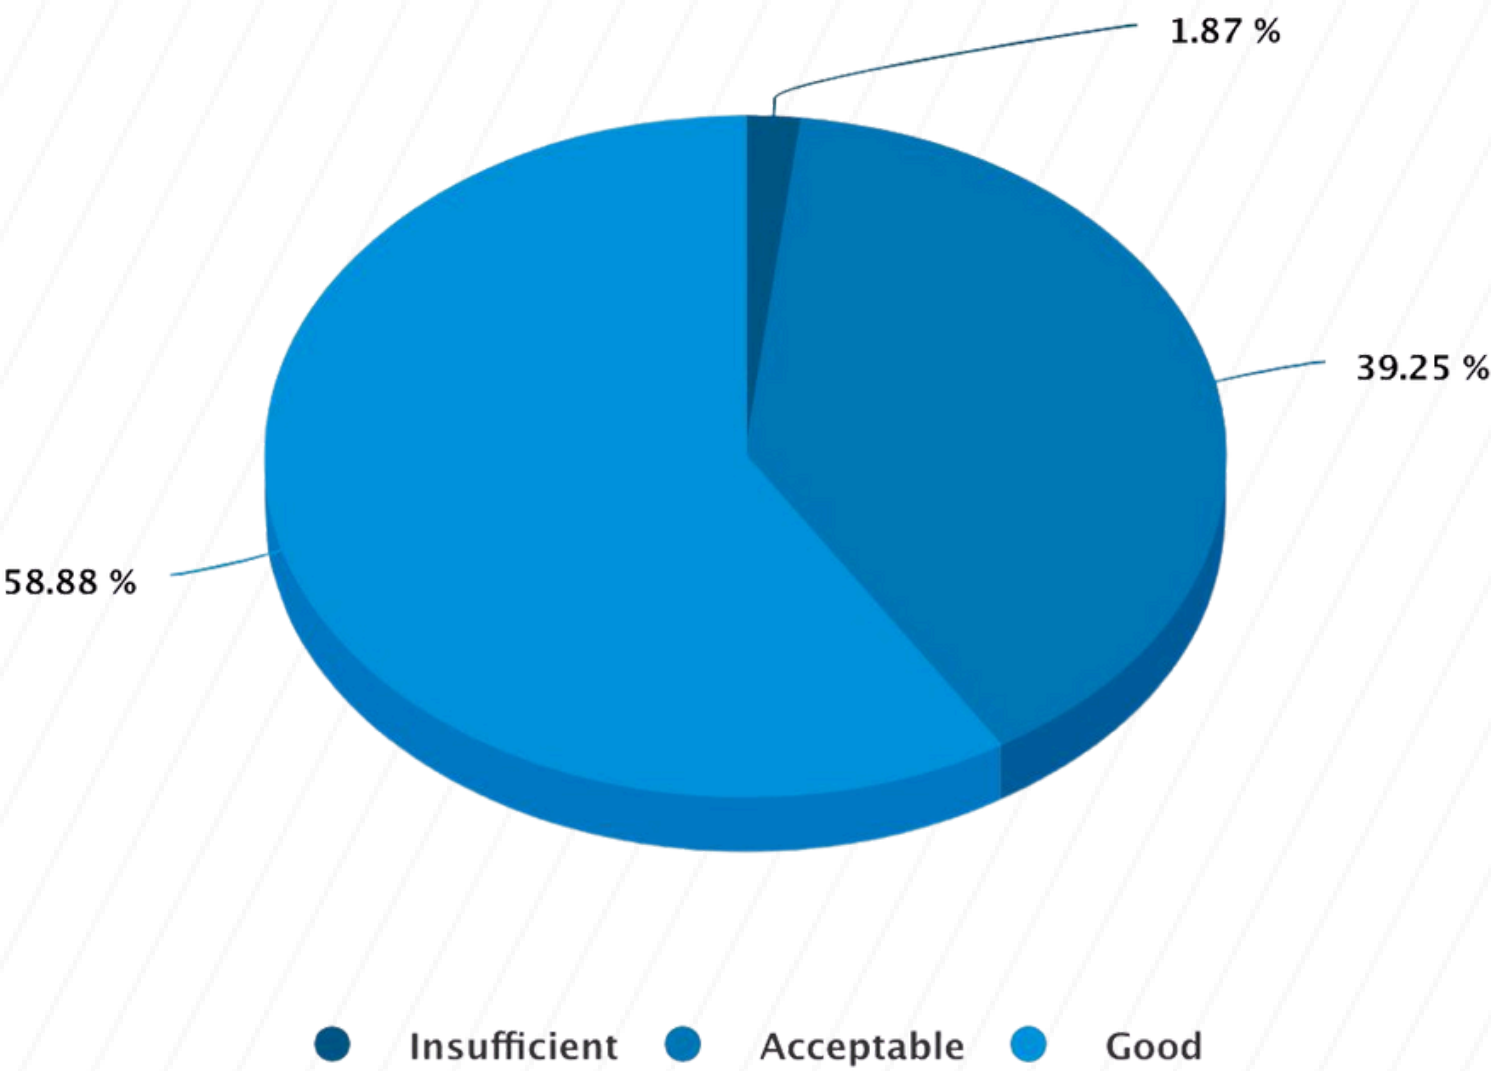

WERE THESE EXPECTATIONS MET?

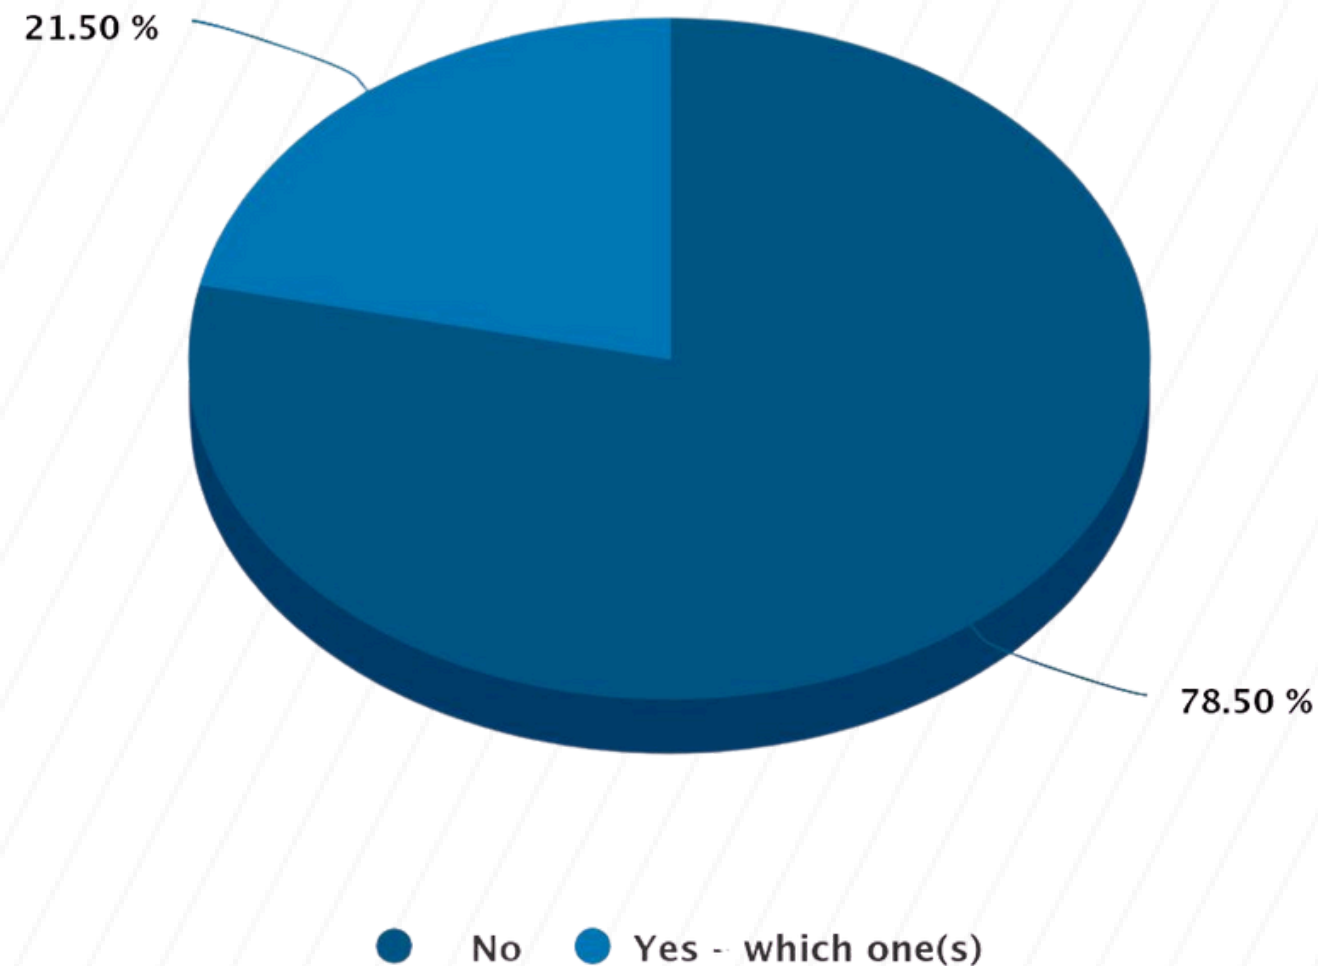

Did you meet with the right contacts?

Quality of attending companies that you selected?

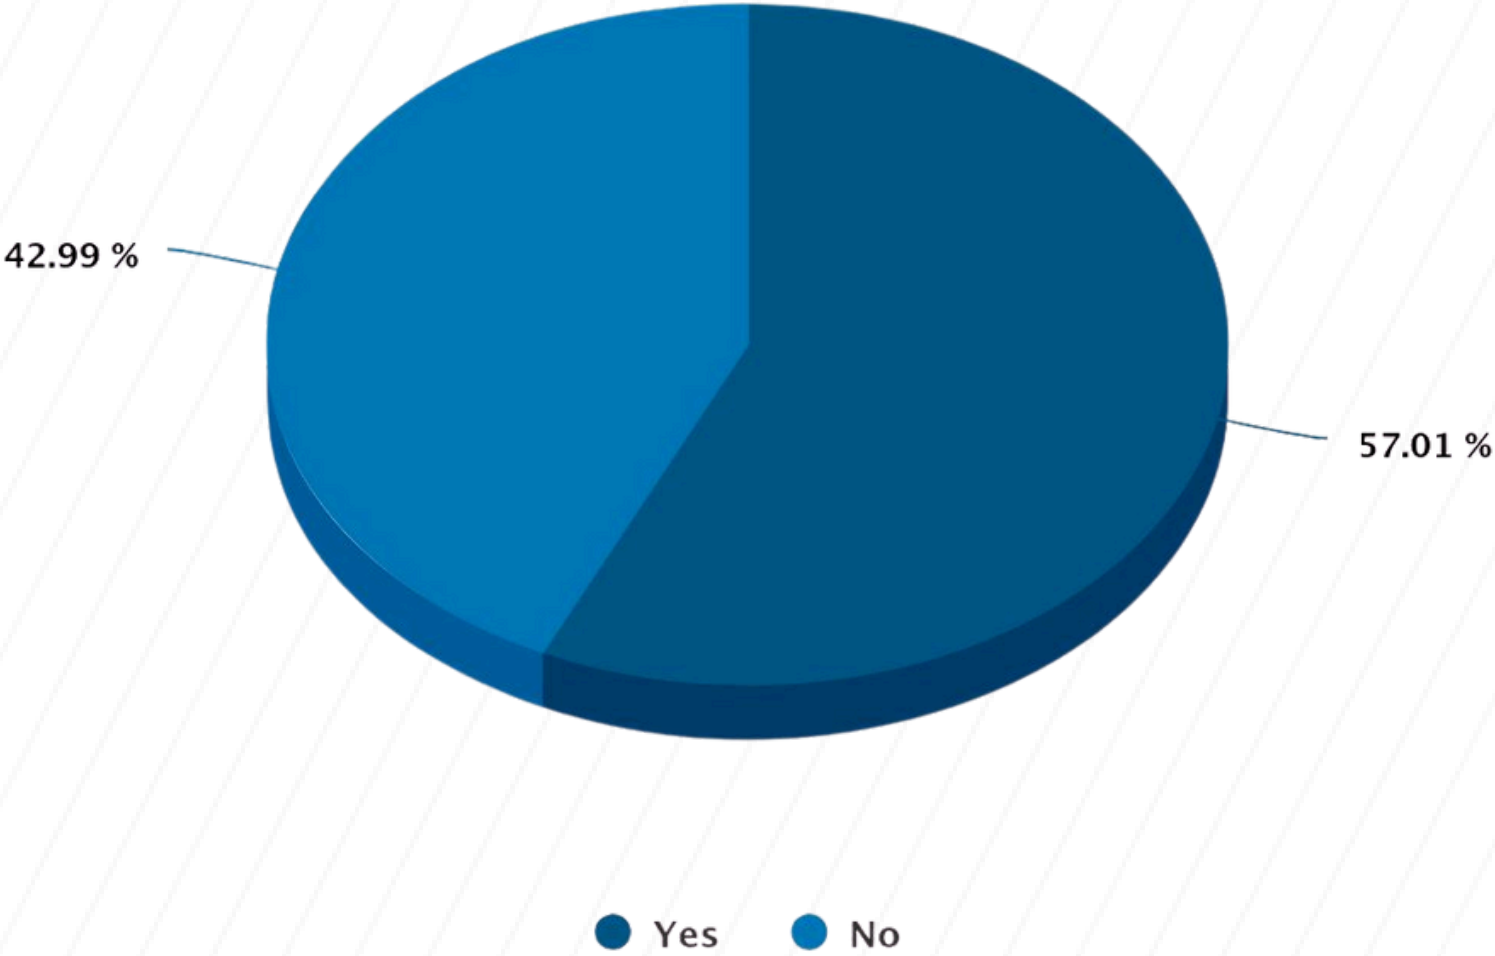

### Were there any specific commodities that you felt were underrepresented?

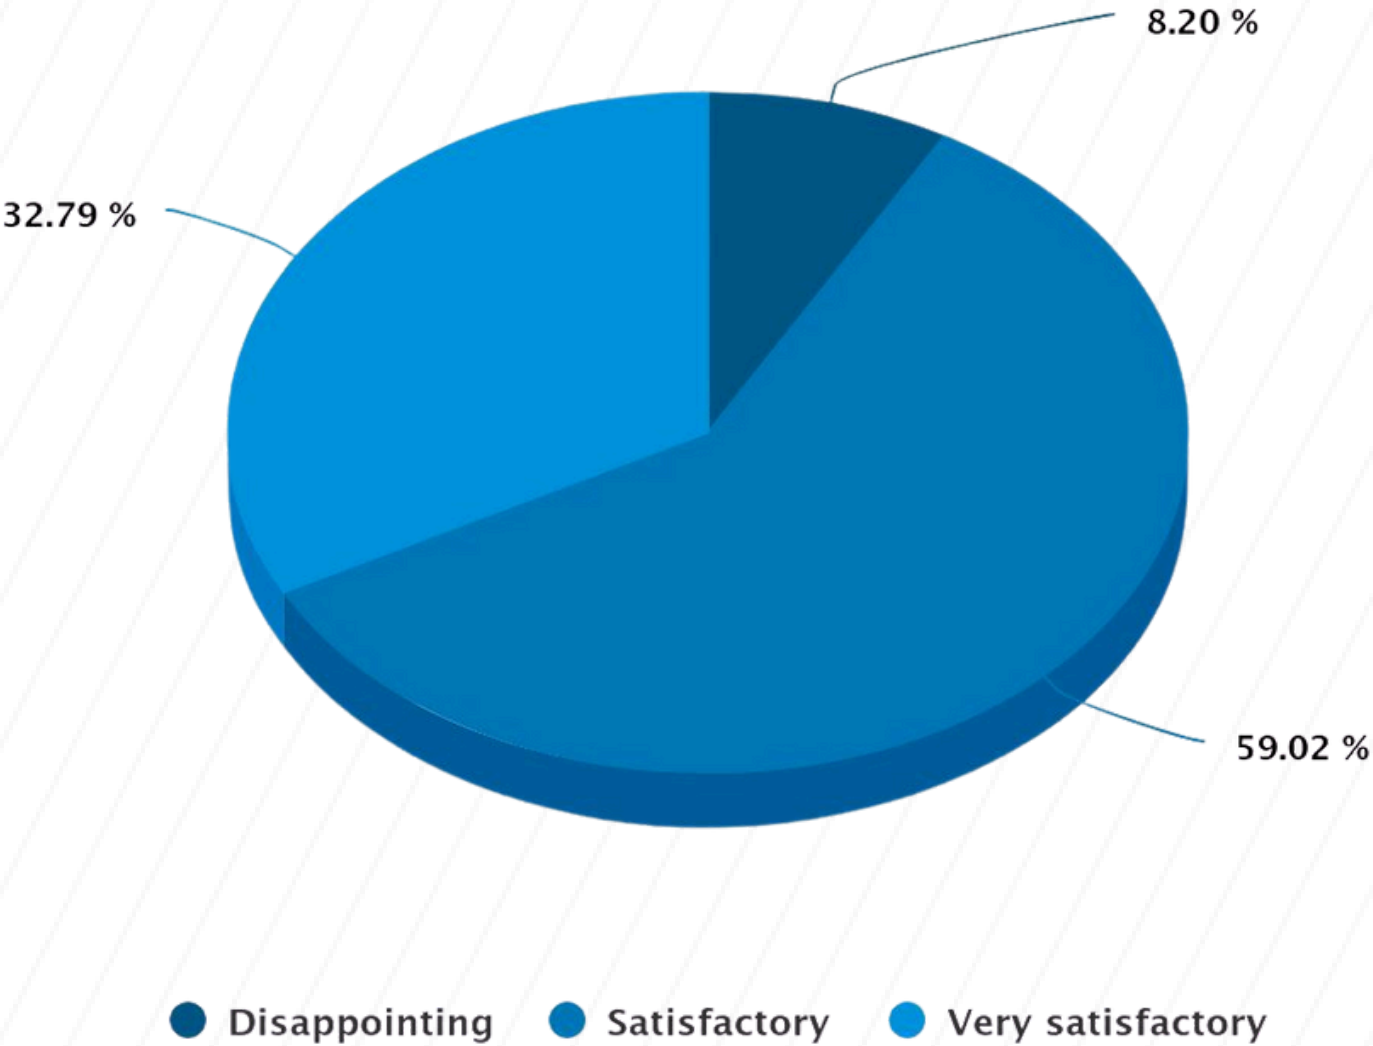

- Engine manufacturers
- Aeroengine MRO
- Composites
- Mills (raw material), more OEM's needed
- Sub suppliers and equipment suppliers
- Airfoil capable suppliers
- Electrical power components
- Machine Shops
- Mills such as Carpenter, Arconic, Universal, Special Metals, etc.

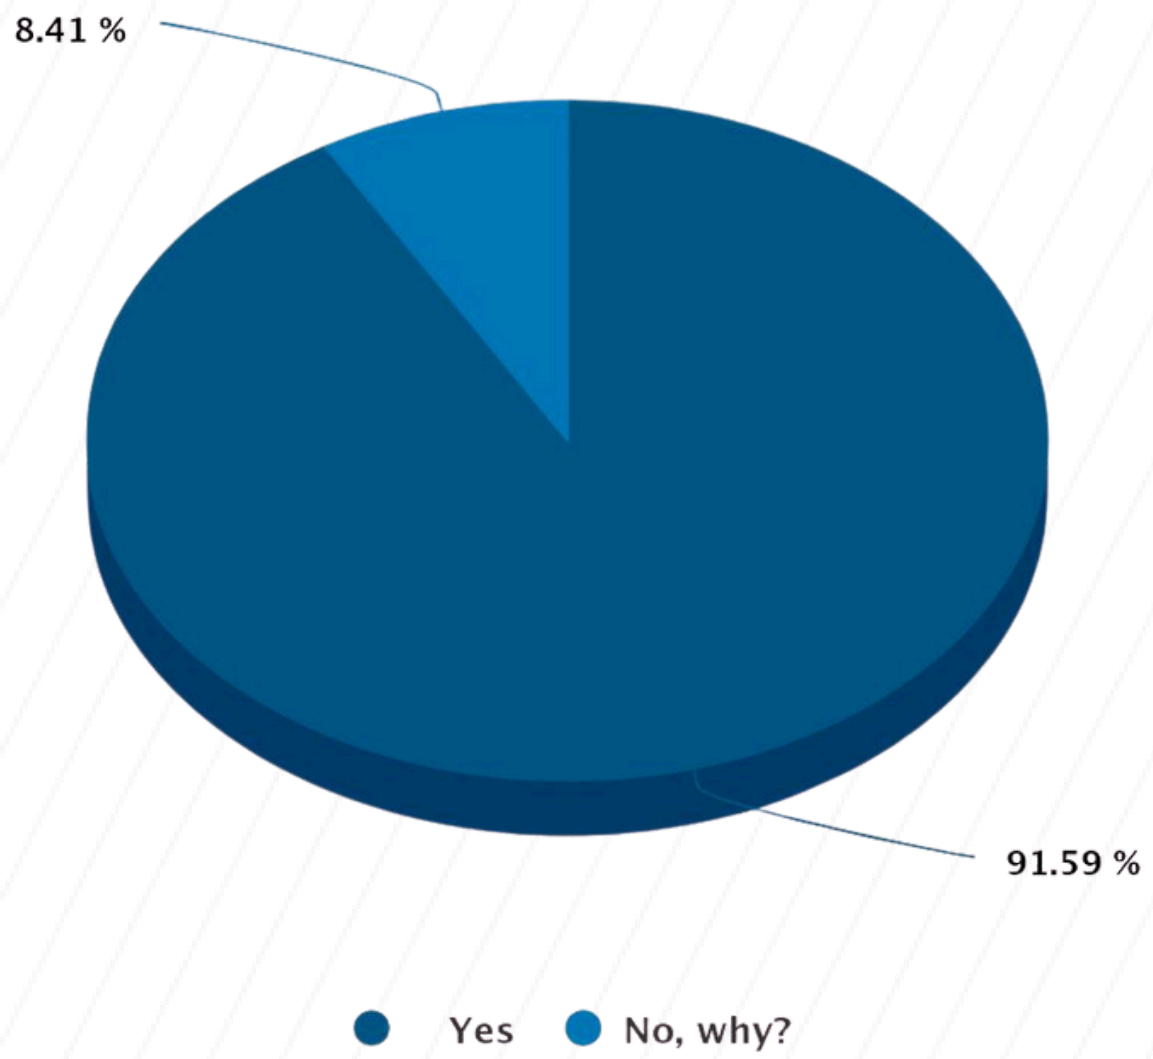

Did you attend the RTX Conference Day on Nov.4 ?

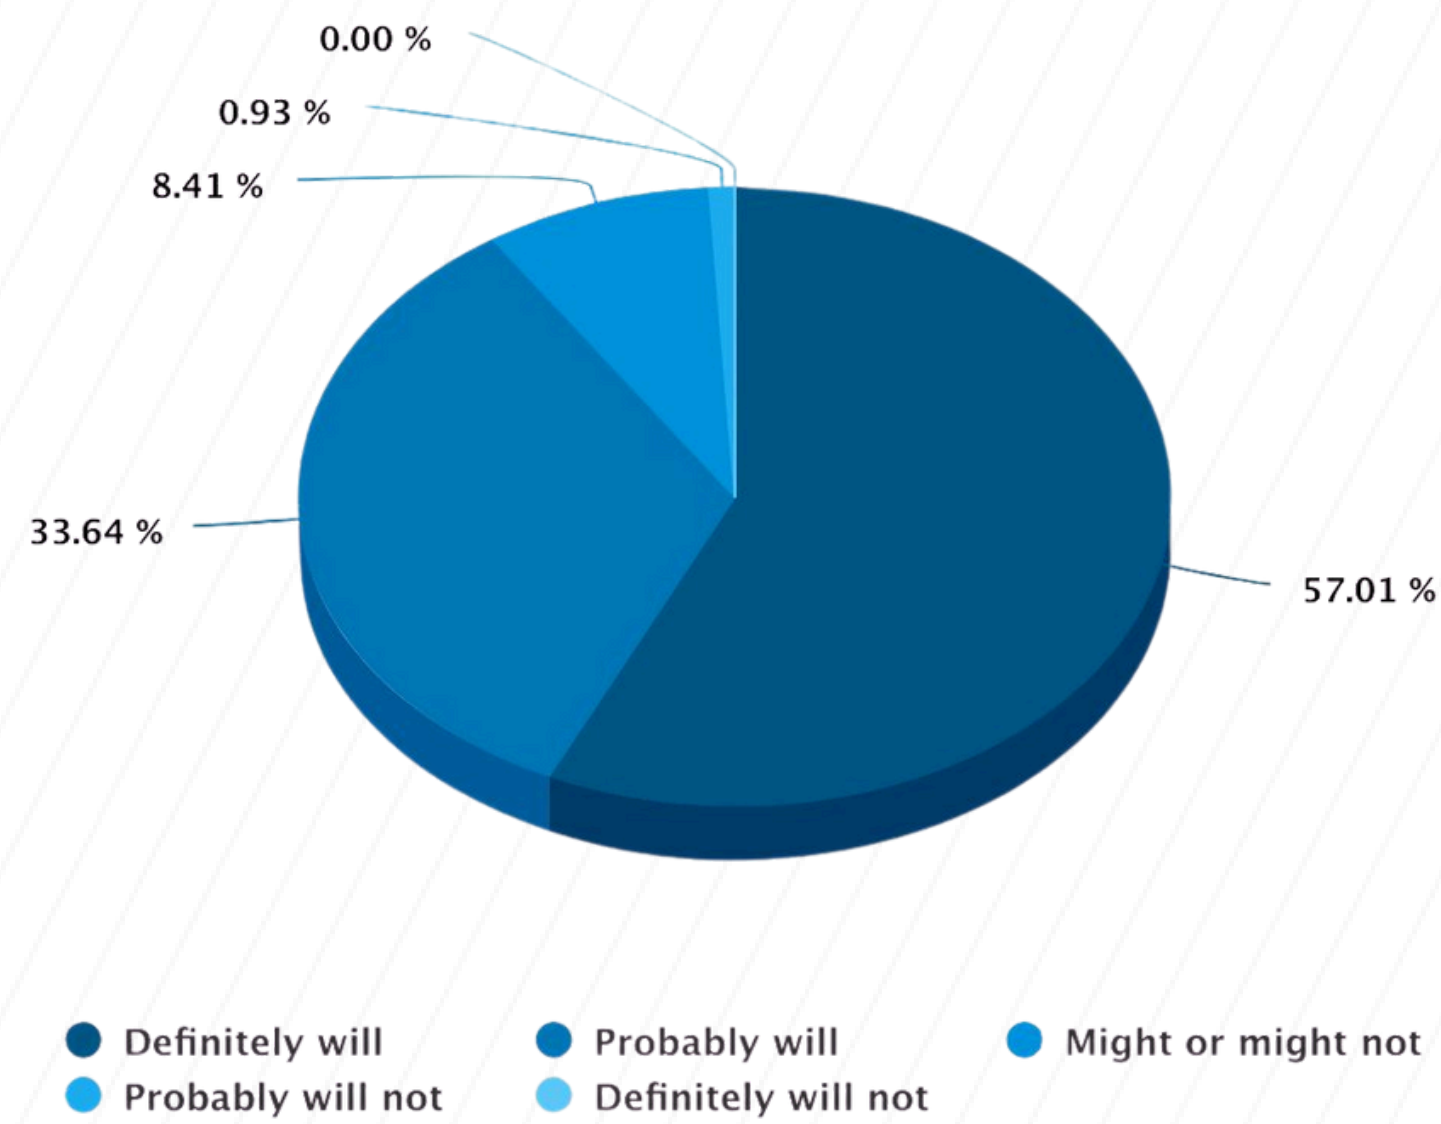

How do you rate the RTX Conference Day?

ARE YOU SATISFIED OVERALL?

WOULD YOU CONSIDER PARTICIPATING IN THE 2<sup>ND</sup> EDITION?
